--

I submit below my remarks on the several facilities required by the Ruler of Sandur in connection with the marriage of his daughter.

Buildings.

(a) Yeshwantnivas Palace. This is the main Secretariat Building with two floors. The Stationary Sub Magistrate's Court is located in the first floor and in the second (i.e.) the ground floor there are the Offices of the Taluk Supply Officer in one room and the Record sorting Officers and the Typist in the other. Both these floors may be vacated and kept at the disposal of the Ruler of Sandur for the period from 25.2.52 to 11.3.52. The Additional Buzur Secretary has since informed the Tahsildar Sandur that the buildings requested for, are required for lodging some of the guests who come from outside and that it would be enough if they were made available for the purpose from 25.2.52 to 11.3.52. The Court of the Stationary Sub Magistrate and the Office of the Taluk Supply Officer can be located temporarily during this period in one of the Old Palace buildings, Srimath Akkasahib Maharaja's Wada, otherwise known as Military Headquarters" which is now used by the Election Office which will be disbanded with effect from 15.2.1952. The Record sorting Officers and the Typist will accommodate themselves in the main Hall of the Taluk Office.

(b) "New Offices Block" The Offices of the Forest Ranger and the Sub Registrar are located in this block. If these rooms are vacated, I am afraid, there is no space in the other buildings, now occupied by the Government Offices in Sandur to locate these two offices. I am therefore of opinion that it may not be possible to spare these rooms to the Ruler.

The "Yeshwantnivas Palace" may be kept at the disposal of the Ruler for accommodating the guests that attend the marriage from 25.2.52 to 11.3.52 with a definite understanding that no band or music is played in the premises, as it would be a source of disturbance to the S.S.M's court and other offices that are located in the compound. Please see plan No.2 submitted to Government with this office Rc.No.5364/49 S1 dated 5.2.52 in reply to their Public (Rl.A) Dept. Memo.No.2971/50-21 dated 2.2.52.

Copy of D.O.No.1431/52 S1, dated 9-2-1952 from the Collector of Bellary to the Under Secretary to Government, Public (Political) Dept. Fort St. George, Madras.

My dear Sabanayagam,

States - Merged - Sandur - Marriage of the Ruler's daughter - Facilities - Remarks called for - Report - Submitted.

Government, Public (Political-A) Department D.O.No. 433/52-2, dated 1-2-1952.

I submit below my remarks on the several facilities required by the Ruler of Sandur in connection with the marriage of his daughter.

I. BUILDINGS.

Building with two floors. The Stationary (a) Yeshwanthivas Palace: This is the main Secretariat/Sub-Magistrate's Court is located in the first floor and in the second (i.e.) the ground floor, there are the offices of the Taluk Supply Officer in one room and the Record sorting Officers and the Typist in the other. Both these floors may be vacated and kept at the disposal of the Ruler of Sandur for the period from 25-2-52 to 11-3-1952. The Addl. Muzur Secretary has since informed the Tahsildar, Sandur that the buildings requested for are required for lodging some of the Guests who come from outside and that it would be enough if they were made available for the purpose from 25-2-52 to 11-3-52. The Court of the Sty. Sub-Magistrate and the office of the Taluk Supply Officer can be located temporarily during this period in one of the old Palace Buildings. Srimanth Akkasahib Maharaja's wada otherwise known as Military Headquarters, which is now used by the Election Office which will be disbanded with effect from 15-2-1952. The Record sorting officers and the Typist will accommodate themselves in the main hall of the Taluk Office.

(b) New Offices Block: The offices of the Forest Ranger and the Sub-Registrar are located in this block. If these rooms are vacated, I am afraid, there is no space in the other buildings, now occupied by the Government Offices in Sandur, to locate these two offices. I am therefore of opinion that it may not be possible to spare these rooms to the Ruler.

The "Yeshwanthivas Palace" may be kept at the disposal of the Ruler for accommodating the Guests that attend the marriage from 25-2-52 to 11-3-52 with a definite understanding that no band or music is played in the premises, as it would be a source of disturbance to the S.S.W's Court and other offices that are located in the compound. Please see plan No.2 submitted to Government with this office Re.No.5364/49 S.1, dated 5-2-52 in reply to their Public (Political-A) Department Memo No.2971/50-21, dated 2-2-52.

II. POLICE ARRANGEMENTS: The District Superintendent of Police, Bellary has reported that Taluk men would be drawn up for guards to be provided at the Bellary aerodrome, and at Bellary and Hospet. As regards the police bandobust at Hospet, Guntakal and Bellary, presumably at the respective railway stations, the District Superintendent of Police, has suggested that the Superintendent, Government Railway Police, Madras has to be addressed in the matter.

(b) As regards the Police bandobust and traffic control during the procession, the District Superintendent of Police, Bellary has written to say that the Inspector of Police, Kudligi would be directed to draft the necessary men from his circle.

(c) Regarding the eight mounted Police with an Officer for escort on the day of the wedding, the District Superintendent of Police, Bellary has reported that there are no mounted Police in this district.

(d) (1) Platoon of Reserve Police or Infantry for escort and guard-of-honour with Military Band;

The District Superintendent of Police, Bellary has written to say that hardly four Head Constables and 40 men only making one platoon will be available after deducting the men allotted to various duties in the Armed Reserve. He is of opinion that if the whole platoon is given away, there would be no men for any emergencies. He therefore suggests that two sections of the Armed Reserve can be spared for the escort and Guard-of-Honour, leaving the other two sections to meet any emergency.

(ii) There is no band in the Armed Reserve at Bellary. Even the band instruments of the erstwhile Sandur State, which were taken over by the Madras Police Department, it is reported by the District Superintendent of Police were also sent to the Police Training College, Vellore as ordered by the Inspector-General of Police and as such it would not be possible to provide any band by the Police.

(e) and (f) As regards the extra guard at the Palace from 1st to 10th March, and the additional Police guard at different camps for safety purposes, the District Superintendent of Police, Bellary has written to say that Taluk men would be drafted for these purposes.

A copy of the D.S.P.'s D.O.No.6/Camp/52, dated 6-2-1952 is enclosed.

Para 3. Tents: No tents, it is reported, by the District Superintendent of Police are available in this district. The one tent with the Collector has been transferred to the Asst. Engineer in charge of the Soil Conservation.

Para 4: Special additional rations: The Ruler of Sandur is being given a lumpsum allotment of rice, wheat and sugar every quarter as shown in the margin. There is no provision to allot rice for marriage purposes in non-rationed areas, as it can be purchased in the open market. The Ruler of Sandur has, however, to be treated on a separate footing, as the control orders do not apply to the Royal family.

Rice. 1200 seers.	
Wheat. 300 seers	
every quarter.	

While communicating a copy of G.O. Confdl. Ms. No. 399, dated 3-3-51 of Food & Agriculture, the Board had in its L. Dis. 40951.E/51-28., dated 15-3-51 (copy enclosed) ordered that the foodgrains required by the Rulers of merged states, their servants and dependants should continue to be met from Government stocks. The requirements, I think, in respect of marriages in the Ruler's family also, of rice, wheat, and sugar may be met from Government stocks. I request the favour of clear orders in the matter.

Para 5: Motor Transport: The Executive Engineer, Bellary has written to say that there is no lorry or jeep or any Government conveyance in Bellary division.

Para 6: Electricity: The Divisional Electrical Engineer, Bellary has written to say that the Electricity Department would arrange to run the Power House at Sandur for the whole day and night and supply power subject to the following conditions:

(a) that the electricity department would not be in charge of arrangements for pumping water etc. which he presumes would be looked after by the Palace Electrical Officer.

(b) that the cost of energy supplied by the Department is paid for by the Ruler.

A copy of para 1 of his D.O. No. 1214/306, dated 5-2-1952 is enclosed.

-3-

Para 7: Use of Band instruments:

Please see sub-para (ii) under para 2 (d) above.

I presume that the cost of the above arrangements including police arrangements will have to be paid for by the Ruler himself. I request the favour of early instructions in the matter.

Yours sincerely,

(Sd.) G. RAMI REDDI.

My dear Raja Sahib,

Sub: States, Merged - Sandur - Marriage of the Ruler's
daughter - Facilities.

Ref: Your D.O. dated 29th January 1952.

Please accept my congratulations and good wishes on the
forthcoming marriage of your daughter. As regards the facili-
ties asked for in your D.O. the position is as follows:-

1. BUILDINGS

A. Yeshwant Niwas Palace. This building will be placed at
your disposal from 25-2-52 to 11-3-52 without any difficulty.
It may however be necessary to have some restrictions with
regard to playing the band in the building during office hours.

B. New Offices Block. As the Collector reports that the Forest
Ranger's and the Sub Registrar's Offices are located in the
building and as they cannot be shifted to any other place, there
is difficulty in vacating the block. If you can suggest any
other alternative accommodation for the offices temporarily, the
matter can be reconsidered.

2. Police arrangements. Police bandobust, provision of a platoon
of reserve armed police for guard of honour and police band are
being considered.

3. Tents. There is ^{none} no available in the district.

4. Special additional rations. Necessary orders are being issued
complying with your request.

5. Motor transport. There is no motor transport available in the
district and it is regretted that nothing can be done under this
head.

6. Electricity. No difficulty is anticipated in regard to
running of the power house at Sandur both day and night, provided
the cost of energy supplied is paid for.

Rev. u.o. 5787C/52-2

Extract of notes from the file relating to the grant of facilities to the Ruler of Sandur in connection with his daughter's marriage.

"The requests of the Ruler are examined below:-

1. Buildings:-

A. Yeshwant Nivas Palace. The Collector has agreed to vacate them and place at the disposal of the Ruler for the period from 25-2-52 to 11-3-52. This may be agreed to.

B. New Offices Block. The Collector has reported that the offices of the Forest Ranger and the Registrar which are located therein cannot be shifted as there are no other rooms available. The Ruler may be informed accordingly of the position and probably if he is able to suggest alternative accommodation the offices can be removed there.

2. Police arrangements. At Bellary aerodrome and Hospet the D.S.P. has agreed to post a guard. As regards the police bandobust at railway stations of Hospet, Guntakal and Bellary, the Collector has suggested that the Superintendent, Govt. Railway Police may be addressed. This may be done. I do not think there^{re} will be any difficulty in arranging for a small guard.

B. Police arrangements for the procession in Bellary is possible according to the Collector. This may also be agreed to.

C. Regarding the 8 mounted police, the D.S.P. has stated that there are none available. The Ruler Secretary who met me this morning states that the Ruler is prepared to pay for the mounted police to be transported from Madras City and back and for the stay at Bellary. I have asked him to send a letter to that effect. Meanwhile, an extract of this note may be sent to Home who may examine the position urgently in consultation with the Commissioner of Police in whose charge the mounted police are.

D. ^{of}Platoon reserve of armed police for guard of honour. The D.S.P. has stated that only two sections of the armed reserve can be spared. I have had a talk with the A.I.C. of Police and he has suggested that instead of the armed reserve,

men can be drawn from the S.A.P. after consulting the D.I.G. S.A.P. so that a full platoon can be provided. If the men are transported the Ruler is prepared to bear the cost. Home may examine this point also urgently.

E. Police Band. The only police band available is at Vellore. The Police Parade in Madras City is on 1st March and hence the A.I.G. informed me that the band can be spared after the 1st. The Mazur Secretary has agreed to bear the costs. Home may examine this ~~part~~ point expeditiously.

F. As regards the extra guard for the Palace from 1st to 10th March, the D.S. has stated that it can be arranged. This may be agreed to.

III. Tents. There are none available in the districts. The Ruler may be informed accordingly.
